Our success in figures

Herrenknecht is a professionally positioned and globally successful family enterprise. We are a global market leader providing a complete range of mechanized [tunnelling](#) technology, associated equipment and comprehensive services. On this basis, we benefit from an attractive future market which is sustained by the megatrends in urbanization, demographic growth and climate protection.

IN MILLION EURO	2017	2016	2015	2014	2013	2012
Total output	1,208	1,208	1,343	1,174	1,027	1,135
Revenue	1,247	1,231	1,286	1,082	1,051	1,147
Order inflow	1,308	1,267	1,236	1,206	1,082	1,051
Number of staff at the end of the year*	4,914	4,798	4,955	4,939	4,574	4,837
Number of trainees at the end of the year	180	160	160	195	203	231

*without trainees, including temporary staff
